

***CELIA "HONEY" SCRUGGS (mother of The Rev. Gay Scruggs Wellborn, Jan Scruggs Honeycutt & Marshall Scruggs) Dear Friends--***

***I'm sorry you tell you of the death of Celia Scruggs, the mother of The Rev. Gay Wellborn (Vicar of St. Michael's in Tucumcari), at a medical facility in Albuquerque on January 5, 2008. Celia Scruggs-- her friends all called her Honey--was 88 and had been in declining health for some years. A private burial with family members is being arranged with a party following for family and friends just as Mrs. Scruggs requested. Celia Scruggs and her husband were married over 70 years ago by the legendary priest Hunter 'Preacher' Lewis at St. James Church in Mesilla Park.***

***Please keep her and her family and those who loved and and cared for her in your prayers.***

***Blessings-- Tom+***
